

CNMI PSS

Contract for Destruction of Material and Digital Data

Upon termination, cancellation, expiration or other conclusion of the Agreement, [Vendor] shall destroy the data unless the CNMI Public School System requests that such data be returned to the CNMI Public School System. If the data held is digital, the [Vendor] and its hosted service provider shall delete CNMI Public School System data in such a manner as prevents recovery through normal/laboratory means, all CNMI Public School System Data in its systems or otherwise in its possession or under its control. This provision shall also apply to all data that is in the possession of subcontractors or agents of [Vendor]. [Vendor] shall complete such return or destruction not less than one (1) year after the conclusion of this Agreement along with the required **Assurance of Destruction Form**. In the event that returning or destroying the data is not feasible, provide notification of the conditions that make return or destruction not feasible, in which case, the [Vendor] must continue to protect all data that it retains and agree to limit further uses and disclosures of such Data to those purposes that make the return or destruction not feasible as [Vendor] maintains such Data.
